

Wine & Blooms

making gardening fun!

Our Goal is to help make gardening fun and accessible to everyone!

Wine & Blooms wants to break down barriers and create memorable, lighthearted, and supportive environments where people of all ages and skills can have a great time gardening. The hope is that each good memory from one of the workshops becomes a reminder that you can garden, and that you've got a community of people who will back you up!

"I totally enjoy and look forward to the workshops. Everyone is very friendly and helpful and I come home with a project I'm proud of! Keep them coming! Thanks so much!"

- Marie

"Kalee & Leigh break down these projects in a fun and informative way, and send you home with the knowledge to recreate them in your own time as well. And it's a great way to meet local like-minded gardening & craft enthusiasts! Just add water - or wine! (Green thumbs not required.)"

- Jennifer
